Advertising and Sponsorship Opportunities

HealthyKidsWorld.com is the only portal on the internet dedicated exclusively to providing current news and timely information about children's health issues, anytime, anywhere.

Our Readers are:

Parents and Grandparents - they use it as a One-Stop Resource. The design is easy to use. News is collated into an easy-to-read format, eliminating the time-consuming chore of searching many different sites for the latest information our readers need.

Kids 5 and up – Parents encourage their children to read our exclusive Healthy Minute, easily understood, simple changes for everyday life, or watch videos, and learn how to eat and incorporate exercise into their daily lives. Contests, Games, Fun.

Middle to Upper Class demographic
Geographically diverse readership

HealthyKidsWorld.com provides new ways of motivating parents to help their kids live a healthier life, and a fun way for kids to learn lifelong healthy habits.

Customized Sponsorships available – please **contact us** to place your ad on the HealthyKidsWorld site. We can integrate your sponsorship into our contests and we welcome the opportunity to show you how you can make a difference.
